## About **COOWIN**

Coowin Group (hereinafter referred to as Coowin) was established in 2000 and the headquarters is located in Qingdao, China. Owing independent high technology manufacturing factory and sales service company, Coowin is one of the leaders in wood plastic industry. Coowin has engaged in WPC materials producing, R&D, selling and developing potential market demands for many years. Coowin's products has been exported to more than 80 countries worldwide and has received broad customers' recognition in both production quality and our service.

Coowin's main production as follows: outdoor WPC decking floor, outdoor WPC wall cladding, outdoor handrail, outdoor pergola, WPC pallet, WPC park bench/chair, WPC flower box and other decorative material used in outdoor fields. Besides above, also accept customized production according to customer's personal demands.

As China's first batch of wood plastic material manufactures also R&D leaders, Coowin has passed the national environmental protection inspection every year since 2010. Meanwhile Coowin has invested heavily in WPC technology innovation, production equipment updating and environmental pollution control system.

One Hundred Years, We Focus On The WPC
